

Confirmation document

TGE is the appointed registry in Poland for administering Guarantees of Origin. TGE hereby confirms that each MWh of Guarantee of Origin issued by the Energy Regulatory Office and registered by TGE in Poland will not be attributed to any other registry than the registry that the Guarantee of Origin is being cancelled for.

TGE hereby confirms that the Guarantee(s) of Origin listed in the Confirmation Document ID: **RGP_ACTBV_2023-03-01_0548** (total amount: 28 000 MWh) will not be attributed towards Polish energy mix and Polish residual mix calculation nor to any other trader, supplier or end user in or outside Poland.

All information stated on the cancellation statements issued from the TGE correspond to the actual reported numbers by domestic producers and has been verified by the Energy Regulatory Office.

This document has been issued on request of the Client and has information value.
